

# Sri Lanka Customs Exports Facilitation Centre

# Objective

To facilitate the export cargo clearance through Customs by;

- a) minimizing the time taken and thereby reducing the cost incurred
- b) promoting compliant traders and discouraging illegal exports

# Benefits to the Exporters

1. Availability of the Customs services on 24 X 7 X 365 basis
2. Predictability in Customs clearance time and cost
3. Proposed one-stop-shop for all the exports
4. Proposed eWarranting for the selected exporters
5. Proposed Green Channel facility to compliant exporters

# Benefits to Customs

1. Implementation of effective export cargo examination mechanism
2. Implementation of automated selectivity for export cargo examination

# E-CDN

1. The Exporter/ Declarant/ Container Freight Station Operator shall submit the CDN electronically
2. However, a paper copy of the CDN shall be sent along with the container to gain entry to the centre
3. Paper copies of the Cusdec, Assessment Notice, Invoice, License (if any), CDN and Shipping Note to be brought to the centre along with the shipment

# SMS Updates

SMS update shall be sent by the system automatically at following stages;

- a) When Cusdec is assessed
- b) When paid
- c) If any amendment done
- d) When "Export Release" is granted

**THANK YOU**
